

Course and Entry Requirements For Direct Entry Scheme to Polytechnic Programme (DPP) Graduates

Applicable to Direct Entry Scheme to Polytechnic Programme (DPP) graduates attaining the following ITE qualifications:

- Higher Nitec in Information Technology

To be guaranteed a place in one of the polytechnic courses offered under the **Direct Entry Scheme to Polytechnic Programme (DPP)**, you must achieve, in your Higher Nitec course under the DPP, the qualifying Grade Point Average (GPA) or the minimum **RAW** GPA (excluding CCA bonus points) for the different course durations (in Years) as shown in **Table 1** below.

For Higher Nitec DPP courses in **Applied Sciences, Engineering and Info-Communications Technology**, in addition to the minimum qualifying GPAs, students are required to pass a Math elective at ITE to be eligible for progression into polytechnic Diploma courses under the DPP. N(A) students with at least Grade C6 in GCE 'O' Level Mathematics will be exempted from this requirement.

You may also consider applying for polytechnic courses other than those offered under the DPP, provided you achieve, in your Higher Nitec course, the minimum **NET** Grade Point Average (GPA) (including CCA bonus points) for the different polytechnic course durations as shown in **Table 2** below.

Some polytechnic courses also have additional prerequisites, in addition to the course entry requirements. You must fulfil the additional prerequisites to be considered for the relevant courses. Please refer to the footnotes, if any, for the additional prerequisites.

The JPAE GPA Band in the table(s) below shows the GPA band in which the average (for the last 3 consecutive years) NET GPA of the lowest ranked students who was posted to these courses falls in. These bands are meant as a reference for applicants applying to these courses, and do not constitute the admission GPA for subsequent admission exercises.

If a polytechnic course is newly offered under JPAE or a polytechnic course has no ITE intake for the last 3 consecutive years, the JPAE GPA Band is denoted as "-".

Applying for S&T courses listed in the table(s) below may award you 0.1 BM bonus points to your GPA. Refer to "Before You Apply" page for the eligibility criteria.

Admission into the courses of your choice is based on merit and subject to the availability of vacancies.

Table 1 - Eligibility Criteria For Admission To Polytechnic Courses Offered Under The DPP

Polytechnic Course	Offered By	Course Code	Course Group	2.0 Years		2.5 Years		3.0 Years		Refer to footnote

Footnotes:

c1

Applicants applying these courses must ensure that they do not suffer from either colour vision deficiency or hearing deficiency.

c2

Applicants applying for these courses must ensure that they do not suffer from colour vision deficiency.

c3

Application for 2.5 years nursing course is in Apr 2019 but the course commencement date is in Oct 2019.

Applicants applying for 2.5 years Nursing course (C97) using HNITEC in Paramedics & Emergency Care (IT62) or HNITEC in Elder Care (IT79) must also have a NITEC in Nursing.

c4

Course commencement date for 2 and 3 years nursing course is in April 2019.

Applicants applying for 2 years Nursing course (C97) using HNITEC in Paramedics & Emergency Care (IT62) or HNITEC in Elder Care (IT79) must also have a NITEC in Nursing.

c5

Applicants with colour vision deficiency will be required to attend an interview to determine their suitability for admission to the course.

c6

All Higher Nitec graduates applying for Direct Entry to Year 2 must have passed ITE Bridging Mathematics programme (BM1) or obtained at least a C6 grade in GCE 'O' level Mathematics.

n1

Applicants with severe vision deficiency may encounter difficulties meeting the course requirements and expectations. Interested applicants are advised to refer to Ngee Ann Polytechnic's webpage for more information.

n2

Applicants with colour vision deficiency may encounter difficulties meeting the course requirements and expectations. Interested applicants are advised to refer to Ngee Ann Polytechnic's webpage for more information. For N43, N44, N50, N55, N76, N84 and N92, applicants with colour vision deficiency may be considered subject to an in-house test.

n3

Applicants with hearing deficiency may encounter difficulties meeting the course requirements and expectations. Interested applicants are advised to refer to Ngee Ann Polytechnic's webpage for more information.

n4

Higher NITEC applicants with GPA of > 3.5 can be admitted to the 3-year programme with module exemptions for relevant modules in which he has scored at least a 'C' grade in the ITE examinations or for Network Systems & Security (N64), has completed the Cisco Network Associate (CCNA) course or any module or industry certificates and pass a practical test and viva.

Module exemptions may be granted at the discretion of the Polytechnic for those who graduate from the relevant ITE course.

Applicants applying for Network Systems & Security (N64) from the NITEC in Electronics, Computer Networking & Communications who have successfully completed the Cisco Certified Network Associate (CCNA) course or any relevant course/module or industry certificates will be granted exemptions if they pass a practical test and viva.

n5

Applicants with the following Higher NITEC certificates with a GPA of > 3.5 applying for the respective courses may be granted direct entry to the 2nd year of a 3-year course provided that they pass Bridging Maths 1 at ITE.

Higher NITEC in Mechanical Engineering, Higher NITEC in Mechatronics Engineering applying for Mechanical Engineering (N41) , Automation and Mechatronics (N50).

Higher NITEC in Electro-Mechanical Engineering, Higher NITEC in Mechatronics Engineering, Higher NITEC in Electrical Engineering, Higher NITEC in Electronics Engineering applying for Electronic & Computer Engineering (N44), Electrical Engineering (N43).

n6

Applicants applying for Marine and Offshore Technology (N42) from the Higher NITEC in Marine Offshore Engineering, Higher NITEC in Offshore & Marine Engineering Design, Higher NITEC in Marine Engineering with a GPA of > 3.5 may be granted direct entry to the 2nd year of a 3-year course provided that they pass Bridging Maths 1 at ITE. Applicants granted direct entry to Yr 2 are required to take a Year 1 module, Fundamentals of Naval Architecture 2.

n7

Applicants applying for Nursing (N69) from the NITEC in Nursing, Higher NITEC in Paramedic & Emergency Care (+ NITEC in Nursing), Higher NITEC in Elder Care with GPA of 3.5 will be granted entry to 2nd year with exemption of Year 1.

Applicants applying for Nursing (N69) from the NITEC in Nursing with GPA 3.0 to less than 3.5, Higher NITEC in Paramedic & Emergency Care (+ NITEC in Nursing), Higher NITEC in Elder Care with GPA 2.0 to less than 3.5 will be granted entry to first year with exemption of first 6 months in Year 1 (Course commences in Semester 2).

Applicants applying for Nursing (N69) from the Higher NITEC in Biotechnology , Higher NITEC in Paramedic & Emergency Care (without NITEC in Nursing) must have minimum GPA 3.0.

n8

Applicants applying for Aerospace Engineering (N65) from the Higher NITEC in Aerospace Engineering with a GPA of > 3.5 may be granted direct entry to the 2nd year of a 3-year course provided that they pass Bridging Maths 1 at ITE.

Applicants applying for Aerospace Engineering (N65) from the NITEC in Aerospace Technology will be admitted to the 3-year programmes with module exemptions for relevant modules.

n9

Applicants have to pass a medical examination and must be free from physical handicap.

n10

Applicants applying for Real Estate Business (N48) or Hotel & Leisure Facilities Management (N40) from the Higher NITEC in Facility Management will be granted module exemption for Fire Safety Management module provided they are issued with the Fire Safety Manager Certificate.

n11

Applicants must satisfy additional GCE'O' level language requirements for application to Chinese Studies (N70), Chinese Media & Communication (N88), Mass Communication (N67) or Tamil Studies with Early Education (N95).

n12

Applicants holding Higher NITEC certificate applying for N96 (Diploma in Early Childhood Development & Education) must obtain at least a C6 grade in English Language (EL1) in the GCE 'O' Level examinations.

r1

It should be noted that candidates with visual impairment may encounter difficulties meeting the course requirements and expectations. Applicants with visual impairment who are interested to apply for the following Diploma Programmes may be assessed on a case-by-case basis to determine their suitability for the programmes.

r2

This course will demand from students a considerable amount of involvement in water-based activities. As such, students should be able to show confidence in water related activities.

r3

In line with industry requirements, applicants who are interested to apply for a Diploma in Pharmaceutical Science should ensure that they do not have colour appreciation deficiency.

r4

It should be noted that candidates with colour appreciation deficiency, hearing and/or physical impairments may encounter difficulties meeting the course requirements and expectations. For more clarifications and information, please check directly with Republic Polytechnic.

r5

In line with industry requirements, applicants who are interested in applying for a Diploma in Outdoor and Adventure Learning (R33) should ensure that they do not have any mobility, hearing and/or visual impairments. Applicants who are comfortable with physically-strenuous activities would have an advantage. For more clarifications and information, please check directly with Republic Polytechnic.

r6

In line with industry requirements, applicants who are interested to apply for the Diploma in Wellness and Hospitality Business (R44) should not have any difficulties in mobility.

r7

It should be noted that applicants with hearing impairment who are interested in applying for a Diploma in Sonic Arts (R24) may encounter difficulties meeting the course requirements and expectations. For more clarifications and information, please check directly with Republic Polytechnic.

r8

In line with industry requirements, applicants who are interested to apply for the Diploma in Health Services Management (R45) with colour appreciation deficiency, hearing and/or physical impairments may encounter difficulties meeting the course requirements and expectations. For more clarifications and information, please check directly with Republic Polytechnic.

s1

It should be noted that applicants particularly those who wish to pursue a career as a Licensed Aircraft Engineer (LAE) who have severe colour vision deficiency, uncontrolled epilepsy and hearing deficiency may encounter difficulties meeting the course requirements and expectations. Interested applicants with mild deficiencies in these areas are advised to contact Singapore Polytechnic for consultation.

s2

It should be noted that applicants, particularly those who wish to pursue a career in electrical power engineering or as a Licensed Electrical Worker (LEW), with colour vision deficiency may encounter difficulties meeting the course requirements and expectations, as this condition is required by the Energy Market Authority (EMA) of Singapore. Those with mild colour deficiency are required to undergo an in-house test. Interested applicants with this condition are highly encouraged to contact Singapore Polytechnic for more information.

s3

All candidates must pass the colour vision test as per The International Convention on Standards of Training, Certification and Watchkeeping for Seafarers (STCW).

s4

Applicants with severe vision impairment may encounter difficulties meeting the course requirements and expectations. Please refer to the Ministry of Health (MOH) website on "Fitness to Practice" for registered Optometrists. Interested applicants with this condition are highly encouraged to contact Singapore Polytechnic for more information.

t1

Applicants with severe colour vision deficiency may have difficulties meeting the course requirements and expectations. Interested applicants with severe colour vision deficiency are highly encouraged to contact Temasek Polytechnic for more information.

t2

Applicants with mild or severe colour vision deficiency may have difficulties meeting the course requirements and expectations. Interested applicants with mild or severe colour vision deficiency are highly encouraged to contact Temasek Polytechnic for more information.

t3

Applicants with uncontrolled epilepsy or profound hearing loss may have difficulties meeting the course requirements and expectations. Interested applicants with these conditions are highly encouraged to contact Temasek Polytechnic for more information.

t4

Applicants with severe visual impairment may have difficulties meeting the course requirements and expectations. Interested applicants with severe visual impairment are highly encouraged to contact Temasek Polytechnic for more information.

t5

Due to the specific requirements of the early childhood professions, all applicants have to go through medical examination and be certified not to have communicable diseases and have the following abilities to perform the job functions in a safe and effective manner:

- Mental ability (interpersonal ability and behavioural stability) to provide safe care to children, as well as safety to self, and demonstrate self-control and behavioural stability to function and adapt effectively and sensitively in a dynamic role.
- Physical ability to move around in a preschool environment, walk/stand, bend, reach, lift, climb, push and pull, carry objects and perform complex sequences of hand eye coordination.
- Auditory ability to hear faint sounds, alarms and normal speaking level sounds.
- Visual ability to detect changes in physical appearance, colour and contour and read written communication accurately.

t6

The first semester in T56 (Common Engineering Programme) is common to all students and they will opt for and stream into one of the following 8 diplomas. Students must ensure that they satisfy the requirements as stated in the footnotes under the respective courses.

- At the end of Semester 1.1
 - Diploma in Aerospace Electronics (Refer to footnote t2, t3, t4, t7)
 - Diploma in Aerospace Engineering (Refer to footnote t2, t3, t4, t7)
 - Diploma in Business Processing & Systems Engineering (Refer to footnote t4)
- At the end of Semester 1.2
 - Diploma in Biomedical Engineering (Refer to footnote t2, t3, t4)
 - Diploma in Clean Energy (Refer to footnote t1, t3, t4)
 - Diploma in Computer Engineering (Refer to footnote t1, t3, t4)
 - Diploma in Electronics (Refer to footnote t1, t3, t4)
 - Diploma in Mechatronics (Refer to footnote t1, t3, t4)

t7

Applicants with physical impairment or are physically dependent on mobility equipment may have difficulties meeting the course requirements and expectations. Interested applicants with physical impairment are highly encouraged to contact Temasek Polytechnic for more information.

t8

Applicants with GPA of 3.5 or more and passed the Bridging Maths 1 (BM1) programme or have obtained at least a C6 grade in GCE 'O' Level Mathematics, may be admitted to the 2nd year of the course.

t9

The first year in T01 (Common Business Programme) is common to all students and they will opt for one of the following diplomas at the end of Semester 1. Students must ensure that they satisfy the requirements as stated in the footnotes under the respective courses.

- Diploma in Accountancy & Finance
- Diploma in Business
- Diploma in Culinary & Catering Management (Refer to footnote t3, t4)
- Diploma in Hospitality & Tourism Management
- Diploma in Law & Management (Refer to footnote t10)
- Diploma in Logistics & Operations Management
- Diploma in Marketing

t10

Applicants applying for T09 (Diploma in Law & Management) or T40 (Diploma in Communications & Media Management) must obtain at least a B4 grade in English Language (EL1) in the GCE 'O' Level/SPM examinations.

t11

The first year in T63 (Common ICT Programme) is common to all students and they will opt for one of the following diplomas at the end of Semester 2. Students must ensure that they satisfy the requirements as stated in the footnotes under the respective courses.

- Diploma in Big Data & Analytics (Refer to footnote t1, t4)
- Diploma in Cybersecurity & Digital Forensics (Refer to footnote t1, t4)
- Diploma in Financial Business Informatics (Refer to footnote t4)
- Diploma in Game Design & Development (Refer to footnote t1, t4)
- Diploma in Information Technology

t12

This diploma is awarded by the National Institute of Early Childhood Development in collaboration with Temasek Polytechnic.

t13

All applicants with Higher Nitec certificate applying for T68 (Diploma in Early Childhood Development & Education) must obtain at least a C6 grade in English Language (EL1) in the GCE 'O' Level.
